1
They're mushroom stairs!
2
I wonder how far up they go?
3
May I climb up there?!
4
You can, but it's scary.
It's scary, but you can.
It's going to hurt my head, so no.
You can, but there's nothing up here.
You can if you're small.
Can you shrink a little?
5
He's small now!
You can climb up!
But climb up gently.
And climb down gently.
Can you scratch my left ear?
Ha ha ha! You're tickling my head!
Easily!
